

COLLEGE OF ENGINEERING

MS IN CIVIL ENGINEERING

WHY UIC?

Earn a degree at one of the most diverse universities in the nation in the third largest city in the United States. Chicago is a cultural, sporting, business, and educational hub; ensuring that no matter what the chosen path of study, by being in Chicago, there will be opportunities that wouldn't be possible anywhere else.

WHY A MASTER OF SCIENCE IN CE?

Choosing a MS in Civil Engineering at UIC will allow students the opportunity to personalize their course plan to their educational and professional interests. The curriculum will explore structural engineering and mechanics, environmental engineering, geotechnical engineering, and transportation engineering: civil engineering helps pave the road into the future, and offers endless routes of employment for graduates.
