

## COLLEGE OF ENGINEERING

# MS IN INDUSTRIAL ENGINEERING

## WHY UIC?

Earn a degree at one of the most diverse universities in the nation in the third largest city in the United States. Chicago is a cultural, sporting, business, and educational hub; ensuring that no matter what the chosen path of study, by being in Chicago, there will be opportunities that wouldn't be possible anywhere else.

## WHY A MASTER OF SCIENCE IN IE?

The MS in Industrial Engineering at UIC equips students with the skills to design efficient, high-performing systems that integrate people, technology, and resources. The program excels in big data analytics, advanced manufacturing, machine learning, and artificial intelligence. The academic strength of the curriculum and UIC's global connections enable graduates to get internships and help them level up their career planning
